# ABOUT US

RADKRON came into existence in the year 1990 with an innovative thought to take "AYURVEDIC MEDICINES" to the realms of scientific research, development and production

RADKRON products are a judicious mix of proprietary and shastric (classical or generic) medicine. RADKRON'S Proprietary medicines have been developed after careful study and trials. These products have been filled some of the gaps that shastric products do not address.

GROUP endeavor's to manufactured shastric products in the true ayurvedic tradition. This classical approach has been handed down the ages. The book of reference is followed with reverence and the methods employed are purely traditional.

Our products address almost all ailments, cater to all ages. Our business operations spread all over india. our supply chain is through redistribution stockists in various states. we have sturdy QMS systems which implements the Total quality management in our entire group concerns.

## Mission

"To Help Customers Fulfill Their Mission"

## Vision

"To Be The World Leader In Services and Innovative Solutions That Transform The Way Businesses Manage Their Supply Chains"

## Values

"Ownership, Innovation, Passion, Integrity"

# Syrups

RADKRON HAS MORE THAN 30 YEARS OF MANUFACTURING EXPERIENCE.
